COURSE OVERVIEW
The course will cover state of the art of advanced techniques in mechanical ventilation and difficult airway management. The entire course will be presented as lectures. The course is designed for physicians, respiratory therapists and other health care professionals interested in advanced techniques in the care of the mechanically ventilated patient.

TUITION & FEES
Space limitations require that we limit attendance. The registration fee includes an extensive course manual, coffee breaks, lunch, lectures and credits. To register, use the Registration Form included on this brochure. Questions Call: (478) 633-1360

SPECIAL NEEDS
The Medical Center of Central Georgia complies with the Americans with Disabilities Act. If you require special services, facilities or dietary considerations (vegetarian or otherwise) to support your participation in this continuing education program, contact the conference coordinator at (888) 248-1503.

CREDIT
Mercer University School of Medicine designates this educational activity for a maximum of 7 Category I credits toward the Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

This course has been submitted for approval by the American Association for Respiratory Care for 7.0 CRCE - Category I credits.

ACKNOWLEDGMENT
It is the intention of the Mercer University School of Medicine to assure that it’s educational mission and Continuing Medical Education activities, in particular, should not be influenced by the special interests of individuals associated with it’s programs. Having an interest in or an affiliation with any corporate organization does not necessarily influence a speaker’s presentation, but the relationship or the lack of relationship must be made known in advance to the audience in accordance with the Standards of the Accreditation Council for Continuing Medical Education. Also in accordance with the Standards, any discussion of off-label or unapproved uses of pharmaceutical or other products must be disclosed to participants. Conflict of Interest Declarations forms will be requested from each speaker and will be presented during the activity.

ACCREDITATION
Mercer University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
