D. G. Jaimovich
H. E. James
D. S. Jardine
M. M. Moss
R. C. Pascucci
R. C. Raphaely

Dear Colleague:

The members of the Steering Committee would like to invite you to participate in the Thirteenth Annual Pediatric Critical Care Colloquium, June 24 - 25, 2000 in Montréal, Canada. The Colloquium will take place just prior to the 3rd World Congress on Pediatric Intensive Care, under the auspices of the World Federation of Pediatric Intensive and Critical Care Societies, in Montréal, Canada. This will be a unique opportunity for participants in the Pediatric Critical Care Colloquium to attend the 3rd World Congress as well.

The format of the Colloquium will be different from previous years, with greater emphasis on panel presentations with audience discussion. The intent is to create a venue for participants to exchange information with panelists, and with each other, throughout the Colloquium. This tradition of dialogue will extend to every aspect of the Colloquium – from scientific presentations, to panel discussions, to informal opportunities to enjoy the city of Montréal.

We look forward to seeing you at the Colloquium!

The PCCC 2000 Steering Committee

Saturday, June 24
